

Embracing Fall

We've been embracing the season of change as the leaves fall and the air turns crisper.
Read below to see what we've been up to!

Partnership with the HBA of South Carolina

We're proud to announce the official partnership between Muncaster Financial Group and the Home Builders Association of South Carolina through the creation of The Blueprint 401(k) plan. This unique retirement plan offering will provide tremendous value to home builders associations and members throughout the state of South Carolina by saving entrepreneurs within the industry both time and

resources, enabling them to focus on core business operations. Additionally, the plan will provide top-tier 401(k) benefits to owners, executives, and employees. The Blueprint 401(k) eliminates the barrier to hiring and maintaining quality employees, as the plan gives South Carolina's business owners the tools necessary to compete for the best talent.

In October, the team traveled to Asheville, NC for the Home Builders Association of South Carolina State Convention to present the final concept. They met so many great people from all over the state and are looking forward to continuing to strengthen our relationship with this great organization along with our local partners at the Home Builders Association of Greenville through the launch of The Blueprint 401(k).

Mealed It! 2023

We're excited to announce that Richard is participating in this year's Mealed It! fundraiser benefiting Meals on Wheels of Greenville. This virtual event is the culmination of the organization's Giving Tuesday fundraising efforts. All proceeds from this event will help purchase Holiday bags for nearly 1,500 homebound clients in Greenville County. Join us by helping Richard reach his goal of \$5,000 to help spread holiday cheer to those who need it most! The event will go live on Tuesday, November 28 at 7 p.m. via MOW's Facebook page. You'll be able to watch the live stream and donate-to-vote for the team you think did the best job replicating the professionally decorated confection. To donate in the meantime, check out our 'Team Muncaster' page linked below.

Rupert Huse Veteran Center Visit

Richard places a pin for his father who served in Desert Storm.

The team had the pleasure of touring Upstate Warrior Solution's new Rupert Huse Veteran Center that opened earlier this year. Through RHVC, veterans, first responders, and their families gain direct access to warrior-centric tenants and broader access to UWS's network of community partners. We stopped by the facilities map where veterans and their family members can place a pin on their service area.

The team with UWS President, Charlie Hall.

Welcome Sheri!

We're proud to announce the latest addition to our team, Sheri Muncaster. Sheri is joining us as the Director of Business Development and brings a wealth of experience to the table. Her background spans from business development in the higher education space to interior design and consulting, as well as planning company events to inspire and promote relationship building. She's a Greenville native and a graduate of the University of South Carolina. In her free time, she loves to spend time with her family on neighborhood walks and bike rides, support local nonprofits and travel. She's always excited to take on new challenges.

Meals on Wheels 4th Annual Golf Tournament

Richard and Bryan participated in the MOW's Golf Tournament at Holly Tree Country Club. The tournament consisted of 36 teams of four who helped raised money to provide over 6,500 nutritious meals to the homebound citizens served by Meals on Wheels of Greenville.
