The Bridge Awards

The MFG Team had a great time with the Home Builders Association of Greenville at their Annual Bridge Awards, where the Kentucky Derby theme made the evening even more special.

Congratulations to Bryan Newton for receiving the President's Citation Award in recognition of his outstanding involvement and service this year. We're incredibly proud of his dedication and commitment to the HBA.

**This is a community award and not investment related.*

Congratulations, Claudia!

We're excited to share that Claudia Roe has stepped into a new role as our **Director of Business Development**. This announcement comes at a time of multiple milestones for Claudia as she recently marked her one-year anniversary with Muncaster Financial and also completed her Master of Arts in Strategic Design from Furman University. Her journey is just getting started, and we're excited to be a part of it.

HBA Night at the Drive

Thank you to the HBA of Greenville for hosting the Annual Night at the Drive. We enjoyed a night of connecting with Greenville builders and watching a great game with friends and family.
